

JULETABI SAFARIS

CHRIS AND DAN HAVE BEEN IN BUSINESS TOGETHER SINCE 2006

It's been a busy month at Juletabi Safaris

The time has come to grow our business, so intrepid entrepreneurs, Dan and Chris, went in search of new premises. They came up with CentrePoint Shopping Plaza on Diani Beach Road. The new shop is perfectly located for visiting tourists to book their tailor made safari or

city tour in the sumptuous new surroundings of the new Juletabi Safari offices. Its easy to pop in when visiting the local bank or supermarket and plan your next adventure. The two entrepreneurs were quick off the mark to sign on the dotted line and Dan was keen to get started

and start preparing the office for the new decor and furniture.

Meanwhile the vehicles were in the garage for their regular overhaul and maintenance to ensure that they are up and running for the beginning of the next season.
